

AGENDA

Joint Policy Workshop of the EASVOLEE, AEROSOLS and PAREMPI Projects

DATE Tuesday, 1 December 2026	TIME 13:00 – 17:00	VENUE Maison Irène et Frédéric Joliot-Curie, Brussels
---	------------------------------	---

THEME

From Research to Policy: Scientific Evidence for Reducing Transport-Related Air Pollution in Europe

Time	Topic	Speaker(s)
13:00–13:10	Welcome and Opening Remarks	Workshop Chairs: Spyros Pandis & Vasiliki Syngouna — EASVOLEE
13:10–13:20	European Commission Perspective	Georgios Tzamalīs , Policy Officer, Innovation & Research, European Commission
13:20–14:05	Project Highlights (15 min each)	Coordinators of EASVOLEE (Spyros Pandis), AEROSOLS (Soheil Zeraati Rezaei) and PAREMPI (Päivi Aakko-Saksa)
14:05–14:15	Questions & Discussion	All speakers
14:15–14:25	Coffee Break	

Session I — Synthesis of Policy-Relevant Scientific Findings from All Projects

Time	Topic	Speaker(s)
14:25–14:40	Road Transport Emissions: Regulated and Unregulated Primary Emissions (Including Semi-Volatile Compounds) from Passenger Vehicles	Mickaël Leblanc , IFP Energies Nouvelles, France — AEROSOLS
14:40–14:55	Transport Emissions Beyond Road: Shipping and Aviation	Hilkka Timonen , Finnish Meteorological Institute, and Topi Rönkkö , Tampere University — PAREMPI
14:55–15:10	Secondary Aerosol Formation and Atmospheric Transformation of Transport Emissions	André Prévôt , Paul Scherrer Institute PSI, Switzerland — EASVOLEE

EASVOLEE, AEROSOLS and PAREMPI have received funding from the European Union's Horizon Europe research and innovation programme under grant agreements No 101095457, No 101096912 and No 101096133, respectively.

Time	Topic	Speaker(s)
15:10–15:25	Air Quality and Health Impacts of Transport Emissions (<i>PM mass, particle number, composition and health effects</i>)	Anna Oudin , Lund University, Sweden — PAREMPI
15:25–15:40	Sources of Fine PM in Europe and Future Policy Needs (<i>including contributions from biomass burning</i>)	Benjamin Murphy , MET Norway — EASVOLEE
15:40–15:50	Coffee Break	

Session II — Invited Perspectives

Short invited presentations providing policy and industry perspectives on future air quality and transport emission challenges.

Time	Invited Speakers · Session II – Invited Perspectives (3 × 10 min)
15:50–16:20	Theodoros Grigoratos — Policy Officer at DG ENV · European Commission Thanasis Megaritis — Air Quality Science Associate, Concawe Vicente Franco — Policy Officer at DG GROW · European Commission

Session III — Policy Panel Discussion

Translating Research into European Air Quality and Vehicle Emission Policies

Time	Topic	Participants
16:20–17:00	Panel Discussion	<i>Moderator:</i> Spyros Pandis , EASVOLEE Coordinator Invited speakers of Session II, plus one representative from each project: Jeroen Kuenen , TNO, Netherlands — EASVOLEE Philipp Eichler , German Environment Agency, Germany — AEROSOLS Päivi Aakko-Saksa , VTT Technical Research Centre of Finland — PAREMPI
